Valley Vet Horse Club Rewards

Valley Vet Supply rewards the WRC for shopping with them. Purchases made by any club member can qualify for a 5% credit* applied to the WRC club account.

When WRC club members purchase products from Valley Vet Supply (excluding wormers), the amount of the products purchased will be recorded for our club account.

When those purchases reach \$1000, Valley Vet Supply will place a \$50 credit on the WRC club account for award purchases. When the club membership purchases reach a second \$1000 level, another \$50 credit will be placed on your club account for award purchases, etc. We will keep the club secretary informed of the account balance.

** Equine purchases, excluding wormers and shipping & handling.*

See Amy Rankinen to be added to the mailing list if you are not currently receiving a catalog.
